

Storytelling

*Who Are We & Where
Did We Come From?*

**20, 21 & 22 April 2007
Delta Lodge at Kananaskis**

Keynote Speaker Bro Nelson King

Over the centuries, Freemasonry has been taught and told from one man to another by word of mouth — “Cheek to Cheek or Mouth to Ear” as it were. It has been a story told and retold, memorized and passed on. Much of history is the same; stories passed on from generation to generation.

At the Masonic Spring Workshop in 2007, we are going to present to you an oral version of the history of Freemasonry. The “Storyteller” will be performed by Bro Nelson King, a well known student of Freemasonry. We will teach you the myths, the legends and, of course, “the Truth.”

Freemasonry, actually, requires no exaggeration to magnify its greatness. The simple truth is all that is required to tell its story. This is the reason for this speech is to attempt to destroy the myths that have been prevalent, often for centuries, by telling the truth.
